

# ***Recycled Kids Consignment Sale***

## **This page is to be used for the Toy and Home Sale Only**

**Toy and Home Consignor Guidelines:** We will not accept any clothing, stuffed animals, etc. We are happy to accept toys, gaming systems, games, books, DVD's, Little Tikes, baby equipment (see below) and some winter sport equipment. When in doubt please ask.

- All items must be in good working order and have all parts and pieces. Please check items carefully and count all parts. If you were giving an item as a gift you would want all the parts and pieces and the item working properly.
- Parts and pieces must be securely taped to the item in a baggie. If not, they get opened and lost. Tape all baggies shut.
- When securing tags or baggies to items, do not place tape over decals or surfaces that may be damaged.
- All items requiring batteries must have working batteries installed.
- All items must be clean and undamaged. Damaged, dirty, or excessively worn items will be rejected. A good cleaning tool for crayon marks or dirt is the magic eraser or soft scrub.
- Bikes must be in very good or like new condition. Bikes with damaged seats, rust, missing parts or flat/excessively worn tires will be rejected. Check that brakes are in working order.
- No computer software or games that do not support Windows 7
- Tag all game system games on the case of the game and mark the tag that the game is at the register. Put the actual game in a baggie with your tag on it. Only put a price on the tag that is on the game case. We will hold the actual game at the register.
- \$2 minimum price with the exception of individual books. Prices must be in .50 increments.
- Any item that you do not want going ½ price on Sunday must have a red dot next to the price on the tag (Must be in permanent red ink and large enough to see). Do not put the red dot anywhere on the tag except next to the price.
